Wall Mount BRONX Wave
Color: desert sand
Unit: 1

○ Description:

The BRONX lamp is our handcrafted in Slovenia “Wave” Concept single lamp, for wall and ceiling installations with 360 degree tilt and pivot joint. Minimal. Connected. Modern.

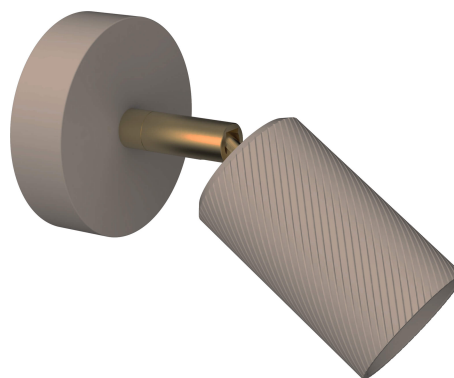

A simple yet stylish pendant for any interior space complements beautifully in combination with any bulb from our range. Unlike most common E27 pendants, “Wave” is just a bit oversized, hiding the bulb’s top part, makes the connection between the bulb and the pendant seamless. The lamp will be delivered without the light bulb. Perfect Match with Floating-Models.
